Ohio University is committed to assisting all members of the Ohio University community in providing for their own safety and security. The annual security compliance document is available on the OUPD website at [www.ohiou.edu/police](http://www.ohiou.edu/police).

Our website and booklet contain information regarding campus security and personal safety including topics such as: crime prevention, University police law enforcement authority, crime reporting policies, disciplinary procedures and other matters of importance related to security on the Athens campus only.

In addition we have included crime statistics for the Athens and regional campuses for the three previous calendar years summarizing crimes that occurred on campus, and on public property within, or immediately adjacent to and accessible from, campus.

## **Annual Fire Safety Report**

Ohio University's Annual Fire Safety Report is created and distributed by the Office of Environmental Health and Safety (EHS). The report can be accessed at [http://www.ohio.edu/riskandsafety/ehs/fire/clery\\_fire\\_report.htm](http://www.ohio.edu/riskandsafety/ehs/fire/clery_fire_report.htm) or picked up at the EHS office at 142 University Service Center, 49 Factory Street.

## **Campus Law Enforcement Authority**

The Ohio University Police Department is a full service law enforcement agency, operating 24 hours a day, 365 days a year, located at 135 Scott Quadrangle. The department is staffed with 25 sworn police officers commissioned by the state of Ohio to serve and protect the University community. The department also employs 7 full time civilian personnel. Investigations of criminal conduct and violations of university policy are conducted in a timely and professional manner with prosecution and referrals to the criminal justice system or other appropriate entities when applicable. The department is also responsible for issuing timely warnings of crimes that pose a threat to the campus community. The department also works closely with other federal, state, municipal and university departments to enhance the level of law enforcement service available to the university community and to provide those who may be the victim of criminal actions or emergency situations information regarding university options available to them. The Ohio University Police Department also holds mutual aid agreements with the City of Athens Police Department and the Athens County Sheriff's Office.

Ohio University believes that eliminating or minimizing criminal opportunities helps prevent crime. Partnerships have been established with students and employees to identify potential areas of victimization and options for appropriate response. Police officers engage in visible patrol and also present programs along with Residential Housing staff and other groups on campus to help community members reduce their chances of becoming a victim of crime.

# Reporting of Criminal Activity and Other Emergencies

## Procedures and Facilities to Report Criminal Actions or Other Emergencies

Students, employees, visitors and community members are strongly encouraged to report incidents of criminal conduct, suspicious behavior or emergencies to the Ohio University Police Department by telephone (740) 593-1911 or in person at 135 Scott Quadrangle as soon as possible. Emergency telephones are located at the main entrance of all residence halls and select locations throughout campus. The phones are recognizable by the blue lights located above each phone. Emergency phones provide direct access to the Ohio University Police Department and can be used to access other emergency services.

## Confidential Reporting

Ohio University encourages anyone who is the victim of/or witness to, any crime to promptly report the incident to the Ohio University Police Department or another campus authority. With such information, the University can take steps to help ensure the future safety of the campus by keeping an accurate record of the number of incidents involving students. Determining where there is a pattern of crime with regard to a particular location, method, or assailant, and alerting the campus community to potential danger are also benefits of such information. Please note that, because police reports are public record under state law, the Ohio University Police Department cannot hold reports of crime in confidence. Crime reports made to Ohio University health care and mental health professionals can generally be kept confidential, although reports will be included in the annual disclosure of crime statistics.

## Emergency Preparedness

Ohio University recognizes the need to prepare itself for numerous emergencies that may happen at any time. Ohio University has created an Emergency Operation Plan (EOP). The EOP provides general guidance, organizational structure and specific direction on preparedness, response and communication disciplines. It is critical that we prepare for the “unexpected” events to protect the Ohio University community and the local community of Athens, OH. The EOP outlines University procedures for managing major emergencies that may threaten the health and safety of the campus community. Ohio university policy #44.100, Critical Incidents, provides the Ohio University policy authority for this plan. The EOP can be easily accessed by visiting [www.ohio.edu/riskandsafety/emergencyprograms/](http://www.ohio.edu/riskandsafety/emergencyprograms/).

In addition, to the EOP the University has created a Critical Incident Response Team (CIRT). CIRT is made up of numerous University stakeholders whose mission is to provide leadership to the campus community before, during and after an emergency or critical incident. CIRT members meet quarterly.

## Immediate Emergency Notification

The Ohio University Police Department (OUPD) and Risk Management and Safety (RMS) work closely to monitor emergency situation on and around the University. If it is determined that there is an emergency or dangerous situations that poses an

immediate threat to the health and safety of some or all members of the University community, OUPD will immediately collaborate with RMS and CIRT to determine the immediate course of action. OUPD and/or RMS have the responsibility to respond to, summon the necessary resources, to mitigate, investigate and document any situation that may cause an emergency or dangerous situation in the University community. OUPD, RMS and CIRT will also work with the City of Athens and Athens County Emergency Management Agency to determine if there is an emergency or critical incident within the City or County of Athens that may pose an immediate threat to the University community and respond immediately to those situations as well.

In the event of critical incident or emergency situation, the University community will be notified by the appropriate emergency notification system that have been established at Ohio University and described in detail in this booklet. This notification may be issued by OUPD or CIRT. The emergency notification may be to a selected group or location within the university Community or it may be a notification for the entire University community, using the most appropriate notification system to disseminate the information. Alert notification will be issued immediately unless a notification, in the judgment of OUPD and other first responders, compromise efforts to assist victims, or to contain, respond to, or otherwise mitigate the emergency. Student, faculty and staff are also encouraged to notify OUPD of any and all possible dangerous situations that may be occurring within the University community.

## **Emergency Evacuation Procedures**

Information on critical incidents and how to respond to these different events can be found at [www.ohio.edu/emergency](http://www.ohio.edu/emergency). Students living in the residence halls at Ohio University, participant in quarterly evacuation procedures and drills, which are held at the beginning of each academic semester. These evacuation and emergency/fire drills are designed to inform students of emergency exits and emergency planning for the residence halls. Environmental Health and Safety along with Residential Housing are responsible for the coordination of these drills. Residents of the halls will be notified of the drills by Residential Housing staff. The University Critical Incident Response Team (CIRT) also participates in a table top exercise at each of the quarterly meeting. These exercises are based on a wide range of emergency situations and critical incidents that may affect some or all of the University community. CIRT members use these exercises to determine the best course of actions and responses for the various incidents. The university will also continue to be active in the Athens County Emergency Management Agency drills and exercises that are held every year and may affect the University community.

## **Shelter-in-Place Procedures – What’s it Mean to “Shelter-in-Place”**

If an incident occurs and the building or areas around you become unstable, or if the air outdoors becomes dangerous due to toxic or irritating substances, it is usually safer to stay indoors, because leaving the area may expose you to that danger. Thus, to “shelter-in-place” means to make a shelter of the building that you are in, and with a few adjustments this location can be made even safer and more comfortable until it is safe to go outside.

## Basic “Shelter-in-Place” Guidance

If an incident occurs and the building you are in is not damaged, stay inside in an interior room until you are told it is safe to come out. If your building is damaged, take your personal belongings (purse, wallet, OU ID, etc) and follow the evacuation procedures for your building (close your door, proceed to the nearest exit, and use the stairs instead of the elevators). Once you have evacuated, seek shelter at the nearest University building quickly. If police, fire department or other first responders are on scene, follow their directions.

## How You Will Know to “Shelter-in-Place”

A shelter-in-place notification will come from the Ohio University Police Department, Risk management and Safety, Residential Housing Staff or other authorities. Alerts either by text messaging or outdoor notification messages will be the primary means of disseminating the notification however, other means may of communication may also be employed.

## How to “Shelter-in-Place”

No matter where you are, the basic steps of shelter-in-place will generally remain the same. Should the need arise; follow these steps, unless instructed otherwise by emergency personnel:

1. If you are inside, stay where you are. Collect any emergency shelter-in-place supplies and a telephone to be used in case of an emergency. If you are outdoors, proceed into the closest University building quickly or follow instructions from emergency personnel on the scene.
2. Locate a room to shelter inside. It should be:
  - a. An interior room
  - b. Above ground level
  - c. Without windows or with the least number of windows. If there is a large group of people inside a building, several rooms may be necessary.
3. Shut and lock all windows (tighter seal) and close exterior doors.
4. Turn off air conditioners, heaters and fans.
5. Close vents to ventilation systems as you are able. (University employees will turn off ventilation system as quickly as possible).
6. Make a list of people and ask someone to call the Ohio University Police Department (740-593-1911) so they will know where you are sheltering.
7. Turn on a radio or TV and listen for further instructions.
8. Make yourself comfortable.

## Community Emergency Notifications

The following methods of communication are available and may be utilized in the event of a campus emergency. The usage of these tools will be dependent upon the particular set of circumstances present during the situation or incident. Not every communication tool will be utilized in every situation. The Ohio University Police Department in conjunction with the Critical Incident Response Team (CIRT) may initiate the communications tools listed.

### Outdoor Emergency Notification System (Siren/PA system):

An outdoor emergency notification system (audible siren/pa) has been installed

on the Athens Campus and may be used for notifying the campus community of weather-related situations or other emergency situations as deemed necessary by the University. There are six locations where the outdoor emergency notification system will sound from (or each site may be activated independently). An outdoor emergency notification will start with the sounding of a pre-programmed tone and continue with a verbal announcement either pre-recorded or live. An audible educational test of the outdoor emergency notification system occurs the 2nd Friday following the start of each academic semester.

### **OHIO Alert (Voice/Text Messaging/Email/Social Media):**

Ohio University's OHIO Alert allows authorized users to send automated emergency notifications via voice message, e-mail, text messaging, Twitter, and Facebook in situations as deemed necessary and appropriate. There will be times where this system will be used in conjunction with the campus outdoor emergency notification system and other times where it will be used with other communication methods or as the sole method of communications.

The University tests the emergency event notification system each semester.

### **Email**

The University's email system may be used as a mode of communication. The email system allows a more thorough explanation of the situation be delivered to everyone's email address at Ohio University. Instructions or protective steps may also be given through email.

### **Websites**

The University has several opportunities to utilize the web to disseminate information in an emergency. The University's homepage [www.ohio.edu](http://www.ohio.edu) has an emergency information link and may also be a standalone site used as the sole release point for emergency information.

The emergency information page <http://www.ohio.edu/emergency> is a site where information may be posted as the emergency situation evolves. This site is a link from the University homepage and is regularly used to update the campus community. This site links to other University sites such as OUPD, Counseling and Psychological Services and the Campus Emergency Response Guide which provides procedures to follow in an emergency i.e. evacuation, tornado, etc.

### **CATVision**

CATVision is a year-round, 24 hour-a-day service delivered to every student bedroom, apartment and residence hall lounge on the Athens campus. The service is also provided to various academic and administrative locations on campus. Programming to all television monitors connected to CATVision can be interrupted to display an emergency message.

### **Campus Emergency Call-in Number**

A University call-in number has been established to play a short pre-recorded announcement. The number is 740.597.1800 (on Athens campus, 7-1800).

## **Campus and Local Media**

During an emergency related to campus, campus and local media outlets will be notified by University Communications and Marketing and will be updated as the situation evolves.

## **Policies for Making Timely Warning Reports to the Campus Community**

When Ohio University considers a crime to pose an ongoing threat to the safety of the community, “Crime Alerts/Timely Warnings” are distributed by the Ohio University Police Department throughout campus. Alerts will be issued for the following crimes: arson, aggravated assault, burglary, criminal homicide, motor vehicle theft, robbery, and sex offenses. Crime alerts may also be posted for other crimes as deemed necessary.

## **Monitoring and Reporting Criminal Activity at Off-Campus Locations Officially Recognized by the Institution**

The Ohio University Police Department maintains a close, cooperative relationship with all local, state and federal law enforcement agencies. In addition to joint education and enforcement efforts, the department works through the local police department to monitor and record criminal activity at off-campus locations of student organizations officially recognized by the university, including student organizations with off-campus housing facilities.

## **Safety of and Access to Campus Facilities Including Campus Residences**

The main campus of Ohio University is located on 1,800 acres in southeastern Ohio with 210 buildings. The access to facilities is limited to those who have authorization through their status as students, faculty, staff or visitors in connection with special events or invitation.

Academic and administrative facilities are secured by building or facility occupants or maintenance personnel at the close of the day’s activities and opened in the mornings in the same manner.

Residence halls are for the use and enjoyment of the residents of the building. Exterior doors remain locked with the exception of a main door that is unlocked between the hours of 9 a.m. and 8 p.m. Interior hallway doors are to be locked at all times. Access to the individual rooms is limited to the residents and authorized university employees who must follow procedures established to protect the safety of the residents.

## **Programs Designed to Inform Students and Employees About Campus Security**

The Ohio University Police Department sponsors or participates in various programs designed to inform students, staff and visitors about safety and security issues throughout the year. While attempting to be comprehensive in providing a safe and secure community, it is important that community members be aware of their own safety and that of others in the community. In an effort to provide information to that end, the Ohio University Police Department also provides the following programs to the university community:

**RAD** – Rape Aggression Defense is a 15-hour self-defense program for women that focuses on mental and physical preparation with a strong emphasis on physical defensive techniques.

**CLO** – A Community Liaison Officer is assigned to every residence hall to provide formal as well as informal contacts throughout the academic year. Officers provide informational programming on issues for the hall and strive to create avenues of communication for hall residents with a police officer.

## **Policies Regarding Illegal Drugs and Alcoholic Beverages on Campus**

The Ohio University Police Department investigates and enforces drug and alcohol violations occurring on the main campus in cooperation with local, state and federal law enforcement agencies. Violations of drug and alcohol laws will result in criminal prosecution and referral to The Office of Community Standards and Student Responsibility. Sanctions under the Student Code of Conduct range from short-term probation to expulsion. *Ohio University strictly enforces drug and alcohol laws.*

Health Promotion located at Baker Center is responsible for substance abuse education and prevention for students. Ohio University also has an alcohol and drug abuse awareness program for employees, which includes an Employee Assistance Program coordinated by the Human Resources Department. The Ohio University Police Department works cooperatively with local law enforcement agencies and organizations such as Mothers Against Drunk Drivers (MADD) to prevent drug and alcohol violations around the university community.

## **Statement of Policy Regarding Campus Sexual Assault Program to Prevent Sex Offenses, and Procedures to Follow When a Sex Offense Occurs**

### **Statement on Sexual Assault**

Sexual assault is defined as any attempted or actual unwanted sexual behavior. Sexual assault occurs along a continuum of intrusion and violation ranging from unwanted sexual comments to forced sexual intercourse. Sexual intrusions and violations of any degree are serious offenses and compromise the integrity of the University community. All forms of sexual assault are criminal offenses as well as violations of the A-4 (Mental or Bodily Harm to Others) provision of the Ohio University Student Code of Conduct. The University hearing board or administrative hearing officer will address three questions in cases of alleged sexual assault. First, “Did an act constituting sexual assault occur?” If the answer to this is yes but no physical contact occurred, the minimum sanction is one quarter suspension. The second question is “Was physical contact involved?” In these cases the minimum sanction is a one-year suspension. The third question is “Did penetration occur during the assault?” In any case where the answer to this question is yes, the accused student will be expelled. The guidelines also state that a presidential interim suspension will always be considered in cases where expulsion is being considered. Students found in violation of this provision are subject to a range of disciplinary sanctions including disciplinary expulsion from Ohio University. In cases of sexual assault,

both the accused student and the complainant have rights which are observed through the University judicial process. These rights are contained in their entirety in the Ohio University Student Code of Conduct.

Ohio University is committed to creating an environment free from the threat of sexual assault, while actively responding to the needs of those affected by sexual assault. Consistent with this commitment, Ohio University has created a sexual assault education and prevention program which serves as the primary source for information, advocacy, and referral. Through this program and other departments on campus, Ohio University provides educational workshops and materials, prevention programs, and advocacy. Students affected by sexual assault may also seek assistance through this program in negotiating housing and academic accommodations

Members of the Ohio University community who have been sexually assaulted are strongly encouraged to obtain medical assistance, talk with a counselor, and report the assault to the Ohio University Police Department.

Counseling services are available for students through the Sexual Assault Education and Prevention Program and Counseling and Psychological Services. All services are free.

Survivors are advised to report the assault to the Ohio University Police Department as soon as possible after the incident. Thus, evidence which might otherwise be lost after time has elapsed can be collected. Reporting sexual assault to OUPD in no way compels an individual to pursue a specific course of action. However, reporting does enable an individual to be apprised of the medical, emotional, legal, and university judicial options for dealing with the assault.

Medical attention is important for two reasons:

- Testing and/or medical treatment of sexually transmitted diseases, pregnancy, or physical injuries.
- Evidence collection.

## **Student Sexual Assault Reporting Protocol**

It is the position of Ohio University that if a student alleges a sexual assault, the university has a responsibility to care for the survivor and promptly investigate the incident in the interest of the safety and security of the university community.

The following protocol is to be utilized by any staff member who receives information that an alleged student sexual assault has occurred:

Determine the health and safety needs of the survivor.

When the sexual assault is being reported by a student, the staff member should say to the student, “Based upon what you say, I may be required to have the incident investigated by the University.”\* The University is concerned for the survivor’s safety as well as the safety of the larger community.

Whether or not the survivor wants to continue with a description of the incident, the resource packet (provided by Health Promotion) is given to the survivor and resources are discussed.

The staff member is to contact the following:

- OUPD (immediately), and
- University Judiciaries (within one working day)

to provide whatever information is available about the incident, including name of survivor and perpetrator.

Health Promotion (within one working day) to provide the necessary information required by the Campus Security (Clery) Act. OUPD and University Judiciaries will communicate to determine how the case will be investigated. If the survivor is willing to meet, either or both offices will review the case and options for action with the survivor. Whether or not a survivor wants criminal charges pursued, an institutional investigation will still proceed.

As the case is investigated, OUPD and University Judiciaries will determine if there is enough evidence to proceed with the case either through the criminal or university judicial system and take the appropriate course of action (with or without the participation of the survivor). Any deviations from this protocol must be reasonable and documented.

Revised August, 2005

\* Health care and mental health professionals are exempt from reporting the specifics of the incident as mandated by HIPPA (Counseling and Psychological Services and Student Health Services). They will, however, need to contact Health Promotion to provide the necessary information required by the Clery Act.

## **Registered Sex Offenders**

Information on registered sex offenders can be obtained by contacting the Athens County Sheriff's Office at 13 West Washington Street Athens, Ohio 45701 or by telephone at (740) 593-6633, or visit their website at [www.athenssheriff.com/](http://www.athenssheriff.com/) or [http://theoffenderlist.com/Ohio\\_Sex\\_Offender\\_List\\_Ohi.php](http://theoffenderlist.com/Ohio_Sex_Offender_List_Ohi.php).

## **Missing Student Policy**

### **Designation of Missing Person Contact(s) by Students**

In accordance with Federal Higher Education Opportunity Act of 2008, Section 485(j), 20 U.S.C. 1092(j), 34 C.F.R. 668.46, regarding missing students, each student residing in university on-campus housing has the option to designate an individual or individuals to be contacted by the university not later than 24 hours after the time that the Ohio University Police Department determines that student to be missing. If the student determined to be missing is under the age of 18 and not emancipated, the university will notify both the missing person's contact(s) designated by the student's custodial parent or guardian.

The missing student's contact(s) may be the same individual(s) as the student's general purpose emergency contact, but does not have to be.

Students are responsible for updating their missing person contact(s) through the Office of Residential Housing, as described in more detail below.

The missing person contacts will be maintained confidentially; only authorized campus individuals and law enforcement officers in furtherance of a missing person investigation may have access to the information.

## **Notification to Students and Collection and Maintenance of Information**

At the beginning of each term, the Office of Residential Housing will, via email, notify students residing in university on-campus housing that they have the option to register a missing student contact or contacts. In that email, students will be directed to visit their MyHousing page to register their missing student contact(s). To register the contact(s) students (1) select “personal preferences” then the “current semester” (i.e., spring 2010-11), (2) complete the “confidential emergency contact” web field, then (3) save the information by selecting the “submit my personal preferences” button. The Office of Residential Housing will maintain each student’s missing person contact(s) until the student changes the contact(s).

## **Procedures for Reporting and Notification Regarding Missing Students**

Individuals who have reason to believe that a student is missing should immediately report their concern to the Ohio University Police Department (OUPD). OUPD will take appropriate investigative action, in accordance with department policy to determine whether the student has been missing more than 24 hours.

As soon as reasonably possible, and not longer than 24 hours after OUPD determines that the student has been missing for 24 hours, OUPD will notify the Dean of Students, or his or her designee.

Upon notification from OUPD that a student has been missing for more than 24 hours, the Dean of Students (or designee) will:

- Make contact with one or more of the missing person contact(s) identified by the student. If a missing person contact has not been formally declared, the university will notify the general purpose emergency contact.
- If the missing student is an unemancipated student under the age of 18, the Dean of Students (or designee) will also notify that the student’s custodial parent or guardian.

In addition, OUPD will notify any local law enforcement with jurisdiction (if other than or in addition to OUPD) that the student has been missing for more than 24 hours.
